LAPD Devonshire PALS builds character and enriches the lives of children and teens by offering year-round activities that foster trust and understanding between young people, the LAPD and the community.

The PALS Youth Center has nearly 1800 children enrolled in our free programs for kids 7-17 years old. PALS programs include after-school tutoring, dance, martial arts instruction, drama, literacy support, art, music, science classes, computer learning, teen leadership, cultural activities and anti-gang programs mentored by on-site LAPD Officers, PALS staff and local volunteers that help our youth develop a positive attitude toward the law and community. Programs at the Greig Smith Youth Center are attended by over 150 kids each day! Proceeds from the PALS Golf Tournament directly benefit these programs for the underserved youth in the Devonshire Community.
